

November 9, 2010, 7:00 to 9:00 p.m.

In Attendance: Margot Menna, Nadine Fox, Tracey Leonard, Greg Patacairk, Hardy Mahadeo and Wayne Carroll

Meeting adjourned: 8:10 p.m.

1) Introduction	Tracey	- Not necessary, no new people in attendance.	
2) Possible Seniors Workshop	Margot	- the West Carleton Rural Health Coalition Committee is asking for support, \$200 from each community centre (\$1,400 in total) in developing a Senior Fitness Program as a pilot project for West Carleton seniors.	- It was agreed that DCA is more than willing to contribute \$200 for this excellent program.
3) Micro Soccer Update	Margot	- Margot briefed us on a conversation she had with the WCSC to confirm that DCA will look after our own micro soccer program. There was disagreement about this issue. Dunrobin wants to maintain complete control over micro soccer program and WCSC has stated that they will also offer micro soccer in Dunrobin.	Margot to follow up with WCSC to obtain email distribution list for Dunrobin registrations. Update: Mailing list received early December 2010
4) Internet Access	Hardy	- We briefly discussed the community centre's internet access and if we were able to obtain a good signal. There has been a company approach members of the community for permissions to erect a tower for wireless connections however DCA is not affected as we are able to connect through ExploreNet.	Internet is now installed, as is satellite TV (Shaw)
5) Youth Drop-In - Update to Facility	Margot	- This program is starting Friday, November 12, 2010 and after discussion, it was decided to change the age range from 10-18 to 10-16. - We have generously received donations of PC's, board games, an air hockey table and we had a discussion on hiring someone to build a secure cabinet to store the TV in when not in use. - We celebrated the fact that we now have a new fridge, stove, microwave and hot dog roller and how we need someone to install the microwave/fan above the stove. With regards to the kitchen, it was noted that supplies are required for the operation of the canteen/Canada Day celebrations, etc. - We decided to purchase 30 fold-up chairs and a dolly for the community centre that require less storage room than the existing chairs which will be placed in the outside storage for outdoor festivities.	- Wayne will ask a carpenter he knows if he's interested in building the TV cabinet. - Greg will install the microwave above the stove. - Tracey will pick up kitchen supplies. - Wayne will buy the fold up chairs and dolly at Costco.

Christmas Shopping at DCC	Kim (not in attendance - led by Margot)	- Kim is organizing the event which is occurring on November 16. Members of the community are all invited to come and view various local home party products such as Silpada jewelry, Candlelight, Pampered Chef, Jockey Active Wear, and The Country Den	
7) Outdoor Hockey and Ice Tender	Wayne	- Deadline for Ice Tender is November 12, 2010 (9pm) and a couple of quotes have been submitted.
