The ice surface may be split to allow some hockey to continue, dependent on number of non-hockey players present. However, shooting at nets is ONLY allowed against the end of the rink (not in the centre of the rink)**

**Outdoor Hockey<sup>2</sup>** **This time slot is reserved for the Outdoor Hockey League practices and games. When games are "away" the public is free to use the rink. Please refer to the schedule "Outdoor Hockey League"**

**Adult Hockey (16+)<sup>3</sup>** **This time slot is reserved for adults (16 and older). It is the responsibility of those playing to ensure that younger players are kindly asked to leave the rink. This is for the safety of the younger kids.**

**Join the Dunrobin Community Facebook page (DCA2012) for updates on rink conditions, opening and closings.**
